To

All participants in Government Securities market

Madam/Sir,

Government securities transactions between a Primary Member (PM) of NDS-OM and its own Gilt Account Holder (GAH) or between two GAHs of the same PM

Transactions in Government securities in the Over the Counter (OTC) market are currently undertaken either on Negotiated Dealing System - Order Matching (NDS-OM) platform or are bilaterally negotiated outside the system and subsequently reported on NDS-OM. All transactions matched on NDS-OM platform are cleared and settled through the Clearing Corporation of India Limited (CCIL), which acts as a Central Counter Party (CCP) for transactions in Government securities.

2. At present, transactions between a Primary Member (PM) and its own Gilt Account Holder (GAH) and between two GAHs of the same PM are not permitted to be matched on NDS-OM and are also not cleared and settled through CCIL. On a review and based on the feedback received, it has been decided to:

- Permit matching of transactions between a PM and its own GAH or between two GAHs of the same PM on both the anonymous Order Matching segment and the Request for Quote (RFQ) segment of NDS-OM. Transactions matched on NDS-OM shall be cleared and settled through CCIL.
- Extend the facility of clearing and settlement through CCIL to transactions between a PM and its own GAH or between two GAHs of the same PM which are bilaterally negotiated and reported to NDS-OM, on an optional basis.
