# COMPREHENSIVE FAQs ON SEBI (PIT) REGULATIONS 2015

## Trading Related

### 1. Question

**Whether creation of pledge, invocation of pledge and revocation of pledge can be deemed as trading?**

### Answer

Trading as defined under Regulation 2 (1) (I) means and includes subscribing, buying, selling, dealing, or agreeing to subscribe, buy, sell, deal in any securities, and "trade" shall be construed accordingly. The term trading is widely defined to include dealing in securities and intended to curb the activities based on unpublished price sensitive information (UPSI) which are strictly not buying, selling or subscribing, such as pledging etc. Hence, trading would include creation/invocation/revocation of pledge.

### 2. Question

**Whether trading only in equity shares is in violation of PIT Regulations while in possession of UPSI or it also includes trading in other form of securities?**

### Answer

Trading in securities while in possession of UPSI is prohibited as per the regulations. For the applicability of SEBI (PIT) Regulations, securities shall have the same meaning assigned to it under the Securities Contracts (Regulation) Act, 1956, which inter-alia covers shares, scrips, stocks, bonds, debentures, derivative, etc. except units of mutual funds.

### 3. Question

**Whether trading on the basis of UPSI is prohibited even for persons not falling under the definition of 'Designated Persons' under the PIT Regulations?**

### Answer

Regulation 2(1) (g) of SEBI (PIT) Regulations, 2015 defines 'insider' as any person who is:

- i) a connected person; or
- ii) in possession of or having access to unpublished price sensitive information.

Therefore, even if a person is not classified as a designated person, having access to UPSI would make such a person an 'insider'. As per Regulation 4(1) of SEBI (PIT) Regulations, 2015, an insider is prohibited to trade while in possession of UPSI.

#### **4. Question**

**Are PIT Regulations applicable on transmission of shares?**

#### **Answer**

Yes, PIT Regulations are applicable on transmission of shares. However, they are exempted from provisions of trading window closure, pre-clearance and contra trade, but the norms relating to disclosure requirements shall be applicable on transmission of Shares.

### **Structured Digital Database**

#### **5. Question:**

**Whether the requirement to maintain structured digital database under Regulation 3(5) is applicable on intermediaries and fiduciaries?**

#### **Answer**

The requirement to maintain structured digital database under Regulation 3(5), containing the names of such persons or entities with whom UPSI is shared, is applicable to listed companies, and intermediaries and fiduciaries who handle UPSI of a listed company in the course of business operations.

#### **6. Question:**

**What information should a listed company maintain in its structured digital database under Regulation 3(5), in case the designated person is a fiduciary or intermediary?**

#### **Answer:**

<sup>1</sup>[The listed company should maintain structured digital database internally, which shall contain information including the following:

- (i). Details of the Unpublished Price Sensitive Information (UPSI);

---

<sup>1</sup> Substituted pursuant to amendment in SEBI PIT Regulations, 2015 dated July 17, 2020. Erstwhile FAQ dated November 04, 2019 read as follows-

*The listed company should maintain the names of the fiduciary or intermediary with whom they have shared information along with the Permanent Account Number (PAN) or other unique identifier authorized by law, in case PAN is not available. The fiduciary/ intermediary, shall at their end, be required to maintain details as required under the Schedule C in respect of persons having access to UPSI. For example: If the listed company has appointed a law firm or Merchant Banker in respect of fund raising activity, it should obtain the name of the entity, so appointed, along with the PAN or other identifier, in case PAN is not available. The law firm or the Merchant Banker would in turn maintain its list of persons along with PAN or other unique identifier (in case PAN is not available), in accordance with Regulation 9A(2)(d) and as required under Schedule C, with whom they have shared the unpublished price sensitive information.*

- (ii). Details of persons with whom such UPSI is shared (along with their PANs/other unique identifier) and details of persons who have shared the information.

Similarly, another structured digital database should be maintained internally by fiduciary or intermediary, capturing information as mentioned above at point (i) and (ii), in accordance with Regulation 9A (2)(d) and as required under Schedule C.

For example: The listed company (X) has appointed a Law firm or Merchant Banker (Y) in respect of fund raising activity and (A) from listed company has shared the said UPSI with (B) of Law firm or Merchant Banker. The structured digital database of (X) should capture the nature of UPSI shared, details of (A), (Y) and (B), along with their PAN or other unique identifier (in case PAN is not available).

The Law firm or the Merchant Banker (Y) shall in turn maintain another structured digital database internally capturing the nature of UPSI received/shared, details of (X), (A) and (B) along with their PAN or other unique identifier (in case PAN is not available), in accordance with Regulation 9A(2)(d) and as required under Schedule C.]

## **7. Question**

**If the structured digital database is maintained on Amazon, Google or cloud server hosted outside India, will it be considered as outsourced or internal?**

### **Answer**

<sup>2</sup>[The SDD has to be maintained in compliance of Regulation 3 (5) and 3(6) of PIT regulations. The Board is solely accountable for all aspects related to the maintenance of data on cloud or any other method. The Board and the compliance officer has to ensure the confidentiality, integrity and security of its data and logs, and ensure compliance with the laws, regulations, circulars, FAQ's etc. issued by SEBI/ Exchanges from time to time. The Board / Compliance Officer shall be responsible and accountable for any violation of the same.]

**company can use software provided by third party vendors, wherein the server is of the vendor but requisite entries are made by the employees of the company only.**

**Answer**

The third party vendors are providing the services/software on login basis, where the server is maintained by the vendor. Therefore, the vendor may have access to such records which would be contrary to the regulations with respect to maintenance of structured digital database.

**9. Question**

**Does list of UPSI as prepared by the company in-house needs to be disseminated to public at large?**

**Answer**

No, there is no requirement to disseminate the list of UPSI on the website of the company.

**10. Question**

**Are companies required to maintain this structured digital database even when the information is shared only within the company?**

**Answer**

Yes, irrespective of the fact that information is shared within or outside the Company, requisite records shall be updated in structured digital database as and when the information gets transmitted.

**11. Question**

**Nominee directors <sup>3</sup>[of a bank or financial institution] sharing information to their bank or financial institution for legitimate purpose, will it be covered as communication of UPSI?**

**Answer**

considered as communication of UPSI. Accordingly, the same would need to be recorded in the SDD of the company.]

**12. Question**

**For how long the Company needs to maintain the data in its structured digital database?**

**Answer**

As per Regulation 3(6) of SEBI (PIT) Regulations, the structured digital database shall be preserved for a period of not less than eight years after completion of the relevant transactions and in the event of receipt of any information from SEBI regarding any investigation or enforcement proceedings, the relevant information in the structured digital database shall be preserved till the completion of such proceeding.

**Pledge**

**13. Question**

**(a) Whether SEBI's intent is to prohibit creation of pledge, revocation of pledge or invocation of pledge for enforcement of security while in possession of UPSI?**

**(b) Whether creation of pledge, revocation of pledge<sup>5</sup> or invocation of pledge is allowed when trading window is closed?**

**Answer**

Yes. However, the pledgor or pledgee may demonstrate that the creation/revocation<sup>5</sup> of pledge or invocation of pledge was bona fide and prove their innocence under proviso to sub-regulation (1) of regulation 4 of the Regulations.

**14. Question**

**What should be the value of the pledge / revoke transaction for the purpose of disclosure? Is it the market value on date of the pledge / revoke transaction or is it the value at which the transaction has been carried out between the pledgor and pledgee? For instance, if the pledgor has availed a loan of Rs 10 Lacs against which he has pledged shares worth Rs 15 Lacs, would the transaction value be Rs 10 Lacs or Rs 15 Lacs.**

**Answer**

For the purpose of calculation of threshold for disclosures relating to pledge under Chapter III of the Regulations, the market value on the date of pledge/revoke transaction should be considered. In the above illustration, the value of transaction would be considered as fifteen lakh rupees.

**15. Question**

**If the lender sells the shares pledged by the designated person (shares acquired under ESOP by availing loan) to recover the loan then how to represent this transaction in Form C (i.e. invoke/revoke)?**

**Answer**

When the lender sells the shares pledged by designated person, the transaction can be represented as invocation in Form C.

**Trading Plan****16. Question**

**At the time of trading as per the trading plan, if the designated person is in possession of an UPSI which was not existing at the time of formulation/submission of trading plan, would these trades be in violation of SEBI (PIT) Regulations?**

**Answer**

If an insider/designated person trades on the basis of earlier UPSI, which is still not generally available, then it will be in violation of SEBI (PIT) Regulations. However, if at the time of formulation of trading plan, there was no UPSI or later on a new UPSI was generated, then the trading can be carried out as per the trading plan, even if the new UPSI has not been made generally available.

**Disclosures including System Driven Disclosures****17. Question**

**Whether companies are required to provide the details of immediate relatives also along with the details of designated persons in terms of SEBI Circular SEBI/HO/ISD/ISD/CIR/P/2020/168 dated September 09, 2020 (“System Driven Disclosures”).**

**Answer**

As per SEBI Circular dated September 09, 2020, SEBI has mandated system driven disclosure for members of promoter group and designated persons only in addition to promoters and directors of the company under Regulation 7(2) of SEBI (PIT) Regulations, 2015. <sup>5</sup>[\*\*\*]

**18. Question**

**In case a designated person is a foreign national/individual who do not possess PAN or a demat account number, whether system driven disclosures are required to be submitted?**

**Answer**

If a designated person does not have PAN or a demat account number, then such a person cannot trade in the Indian securities market. Hence, system driven disclosures will not trigger for such a person.

**19. Question**

**In case of trades exceeding Rs. 10 Lacs in a quarter, any subsequent trades need to be disclosed in Form C or should the next disclosure be only when the next Rs. 10 Lacs limit is breached?**

**Answer**

The explanation to Regulation 7(2)(b) states that the disclosure of the incremental transactions after any disclosure under this sub-regulation shall be made when the transactions effected after the prior disclosure cross the threshold specified in clause (a) of sub-regulation (2). Hence, the next disclosure will be due when the next Rs. 10 lacs limit is breached.

**20. Question**

**What must be the value that the designated person should mention while reporting trades to the Company? Should it be the market rate or should it be by subtracting Brokerage, Commission etc. i.e.net of taxes and all transaction charges?**

**Answer**

For the purpose of reporting trades, market rate should be considered.

---

<sup>5</sup> Omitted by the revised PIT FAQs, dated March 31, 2023.

**21. Question**

**Regulation 7 (2) (a) requires disclosure with respect to number of such securities acquired or disposed of within two trading days of such transaction if the traded value exceeds Rs. 10 Lakhs. Whether such disclosures are required in case of allotment of shares by way of bonus/rights/mergers?**

**Answer**

Yes, the number of securities acquired or disposed beyond the prescribed threshold, irrespective of the mode of acquisition or disposal, shall be disclosed except bonus issuance and shares received pursuant to a scheme<sup>6</sup>.

**22. Question**

**Whether disclosure requirement under regulation 7(2) (a) of SEBI (PIT) Regulations would be applicable to designated person alone or it would include such person's immediate relatives?**

**Answer**

Regulation 6(2) of SEBI (PIT) Regulations specifies that disclosures to be made by any person under this Chapter (Disclosures of Trading by Insiders) shall include those relating to trading by such person's immediate relatives, and by any other person for whom such person takes trading decisions. Hence, disclosure requirement is applicable to designated person along with its immediate relatives.

**23. Question**

**In case a designated person is taking financial assistance for acquiring the ESOP Shares, do Form C is required to be filed?**

**Answer**

The disclosures are required on receipt of shares pursuant to exercise of ESOPs.

**24. Question**

**Whether transfer of shares from one Demat account to another Demat account of the same person will trigger the disclosure requirements?**

---

<sup>6</sup> Please refer Informal Guidance [https://www.sebi.gov.in/sebi\\_data/commndocs/may-2017/SEBI-reply05\\_p.pdf](https://www.sebi.gov.in/sebi_data/commndocs/may-2017/SEBI-reply05_p.pdf)

**Answer**

Since beneficiary ownership remains the same, the transfer of shares will not qualify as trading. Hence, disclosure requirements for the same will not be required. <sup>7</sup>[However, the disclosure requirements shall be applicable in cases where one of the demat accounts has more than single ownership.]

**Pre-clearance**

**25. Question:**

**Whether requirement of pre-clearance is applicable for exercise of employee stock options?**

**Answer:**

Employee stock options being issued under SEBI (Share Based Employee Benefits) Regulations, 2014, the exercise of such stock options is covered under clause 4(3)(b) of Schedule B of the SEBI (PIT) Regulations, 2015. Thus, no pre-clearance is required for exercise of stock options. However, sale of shares by employees obtained after exercise of options shall not be covered under the aforesaid Clause.

**26. Question**

**Can a managing director trade in its own company's shares with pre – clearance alone or a trading plan is necessary?**

**Answer**

Yes, managing director can trade with pre-clearance alone, if not in possession of UPSI. However, if the code of conduct of the company mandates trading plan for persons who may be perpetually in possession of unpublished price sensitive information, such persons shall abide by such code of conduct.

**27. Question**

**Is pre-clearance required for cashless option of ESOP wherein employees avail Sell-all/sell to cover option involving market sale of shares acquired under ESOP?**

---

<sup>7</sup> Inserted vide the revised PIT FAQs, dated March 31, 2023.

**Answer**

Yes, pre-clearance is required for cashless options because exercise of options and sale of shares acquired under ESOP are taking place simultaneously. Further, only exercising of ESOP is exempted from taking pre-clearance.

**28. Question**

**Does pre-clearance required in case of off-market transfer of securities?**

**Answer**

For the purpose of PIT regulations, trade includes both on – market and off – market. Hence, off-market transfer of securities would require pre-clearance as per the code of conduct of the company.

**Trading Window Closure**

**29. Question**

**Whether designated person can trade during the trading window closure for which pre-clearance was earlier provided by the compliance officer when the trading window was opened?**

**Answer**

The designated person cannot trade when the trading window is closed by the compliance officer. Any earlier pre-clearance obtained when the trading window was open, would be invalid once the trading window is closed.

**30. Question**

**Can grant of ESOP be made in trading window closure period?**

**Answer**

Grant of ESOP refers to a right but not an obligation to acquire the shares of the company as and when the options are vested and correspondingly exercised by the Employees. Hence, grant of ESOP per se is not trading and accordingly can be made during trading window of closure.

**31. Question**

**If the trading window is closed, whether the compliance officer is required to inform the designated person or rejecting their trades during pre-clearance would be sufficient?**

**Answer**

The compliance officer shall communicate the closure of trading window to the designated persons. Mere rejection of their trades during pre-clearance would not be sufficient.

**32. Question**

**When should the trading window be closed by the company?**

**Answer**

The trading window shall be closed when the compliance officer determines that a designated person or class of designated persons can reasonably be expected to have possession of unpublished price sensitive information.

**33. Question**

**Shall the trading window be closed for every UPSI?**

**Answer**

Yes.

**34. Question**

**During trading window closure, whether trades pursuant to trading plan can be executed?**

**Answer**

Clause 4(3) read with Regulation 4(1) (vi) provides that trading window restrictions shall not apply in respect of trades pursuant to a trading plan.

**35. Question**

**Can insiders trade through block deal window mechanism during trading window closure?**

**Answer**

Clause 4(3) read with Regulation 4(1) (ii) provides that trading window restrictions shall not apply in respect of trades carried out through the block deal window mechanism between insiders without being in breach of regulation 3 and both parties had made a conscious and informed trade decision.

## Contra-trade

### 36. <sup>8</sup>[Question

**Does the contra trade restriction (for a period not less than six months) under clause 10 of Schedule B of the Regulations also apply to the exercise of ESOPs and the sale of shares so acquired?**

### **Answer**

Any buy/sell trade, undertaken by a Designated Person (DP) and their immediate relatives, within 6 months of an earlier sell/buy trade, respectively, where both the trades have been done in open market<sup>9</sup>, will tantamount to contra trade.

In respect of ESOPs, subscribing, exercising and subsequent sale of shares, so acquired by exercising ESOPs (hereinafter “ESOP shares”), shall not attract contra trade restrictions. Further, if the ESOP shares are sold in multiple transactions, it will not attract contra trade restrictions.

---

<sup>8</sup> Substituted vide the revised PIT FAQs, dated March 31, 2023. Prior to substitution, FAQ 36 read as follows:

#### **Question**

*Does the contra trade restriction (for a period not less than six months) under clause 10 of Schedule B of the Regulations also apply to the exercise of ESOPs and the sale of shares so acquired?*

#### **Answer**

*Exercise of ESOPs shall not be considered to be “trading” except for the purposes of Chapter III of the Regulations. However, other provisions of the Regulations shall apply to the sale of shares so acquired.*

*For Example:*

- i. If a designated person has sold/ purchased shares, he can subscribe and exercise ESOPs at any time after such sale/purchase, without attracting contra trade restrictions.*
- ii. Where a designated person acquires shares under an ESOP and subsequently sells/pledges those shares, such sale shall not be considered as contra trade, with respect to exercise of ESOPs.*
- iii. Where a designated person purchases some shares (say on August 01, 2015), acquires shares later under an ESOP (say on September 01, 2015) and subsequently sells/pledges (say on October 01, 2015) shares so acquired under ESOP, the sale will not be a contra trade but will be subject to other provisions of the Regulations, however, he will not be able to sell the shares purchased on August 01, 2015 during the period of six months from August 01, 2015.*
- iv. Where a designated person sells shares (say on August 01, 2015), acquires shares later under an ESOP (say on September 01, 2015) the acquisition under ESOP shall not be a contra trade. Further, he can sell/pledge shares so acquired at any time thereafter without attracting contra trade restrictions. He, however, will not be able to purchase further shares during the period of six months from August 01, 2015 when he had sold shares.*

<sup>9</sup> Any acquisition/disposal of shares undertaken through any corporate action i.e. Rights Issue, FPO, OFS, Bonus, Split, Exit offers, Buyback offer, Open offer, Merger/Amalgamation, Demerger etc. shall be considered as Non-open market trade, rest all kinds of transactions will be considered as Open Market trade.

Further, it is to be noted that other provisions of the Regulations shall apply to the sale of shares so acquired through exercising ESOPs.

Table below provides for different scenarios involving buy/sale of ESOP shares, elucidating the principles provided above:

### **37. Question**

**In case an employee or a director enters into Future & Option contract of Near/Mid/Far month contract, on expiry will it tantamount to contra trade? If the scrip of the company is part of any Index, does the exposure to that index of the employee or director also needs to be reported?**

#### **Answer**

Any derivative contract that is physically settled on expiry shall not be considered to be a contra trade. However, closing the contract before expiry (i.e. cash settled contract) would mean taking contra position. Trading in index futures or such other derivatives where the scrip is part of such derivatives, need not be reported.

### **38. Question**

**Whether contra trade is allowed within the duration of the trading plan?**

#### **Answer**

Any trading opted by a person under Trading Plan can be done only to the extent and in the manner disclosed in the plan, save and except for pledging of securities.

### **39. <sup>10</sup>Question**

**Whether the restriction on execution of contra trade in securities is applicable in case of buy back offers, open offers, rights issues, FPOs, OFS, share split, bonus, exit offers, merger/amalgamation, demerger, etc. by/of listed companies?**

#### **Answer**

Any acquisition of securities by way of Rights issue, Follow-on Public Offer (FPO), Offer for Sale (OFS), Bonus issue, Share Split, Merger/Amalgamation, Demerger, would not attract restriction of 'contra-trade', provided the initial transaction of disposal was completed in accordance with PIT Regulations.

#### **Answer**

*Buy back offers, open offers, rights issues, FPOs, bonus, 13[exit offers] etc. of a listed company are available to designated persons also, and restriction of 'contra-trade' shall not apply in respect of such matters. Provided the initial transaction of buy/sell have been completed in accordance with PIT Regulations.*

**40. <sup>11</sup>[Question**

**In case securities are acquired/disposed of pursuant to rights issue, FPO, buy back offers, open offers, bonus, OFS, share split, merger/amalgamation, demerger etc., whether the contra trade restrictions would apply if such securities are disposed/acquired through open market trade, before completion of 6 months from the initial date of acquisition/disposal?**

**Answer**

If the initial transaction is an acquisition by way of Rights issue, Follow-on Public Offer (FPO), Offer for Sale (OFS), Bonus issue, Share Split, Merger/Amalgamation, Demerger, then subsequent disposal of securities within 6 months from the date of initial transaction would be considered as a contra trade. Similarly, if the securities are disposed through Buy-back or Open offer, then subsequent acquisition of securities within 6 months from the date of initial transaction would be considered as a contra trade.

However, for the transactions involving merger/amalgamation, demerger, bonus and split, the period of 6 months shall be calculated as under:

- a) Merger/amalgamation – For securities received subsequent to a merger/amalgamation, period of 6 months is to be calculated from the date of acquisition of securities of the entity(ies), which were merged/amalgamated.

However, if an unlisted entity gets merged/amalgamated with the listed entity, the employees of the unlisted entity who are now the Designated Persons of the listed entity as a result of merger/ amalgamation, the period of six (6) months for such

**Answer**

*If the first trade is an acquisition by way of rights issue/FPO, then subsequent sale of shares before 6 months from the date of acquisition would be considered as a contra trade.*

Designated persons shall be counted from the first transaction in the entity, post-merger/ amalgamation.

- c) Bonus and share split – For securities received subsequent to bonus or share split, 6 months to be calculated from the date of acquisition of original securities, on which bonus/split shares were received. ]

**41. Question**

**Whether restriction on execution of contra trade is applicable only to designated persons of a listed company or whether it would also apply to the designated employees of market intermediaries and other persons who are required to handle UPSI in the course of business operations?**

**Answer**

The code prescribed by the Regulations is same for listed companies, market intermediaries and other persons who are required to handle UPSI in the course of business operations. Therefore, restrictions with regard to contra trade forming part of clause 10 of code of conduct shall apply to all according to the Regulations.

**42. Question**

**Whether the contra trade restrictions as prescribed in Schedule B and Schedule C of SEBI (PIT) Regulations, 2015 are applicable on designated person only or designated person and their immediate relatives?**

**Answer**

Clause 3 of Schedule B and Schedule C specifies designated persons and immediate relatives of designated persons in the organisation shall be governed by an internal code of conduct governing dealing in securities. Hence, contra-trade restrictions (as mentioned in code of conduct) would be applicable to designated person and their immediate relatives collectively.

**42A. <sup>12</sup> [Question**

**If Designated Person (DP) is holding shares under his PAN in different capacities viz. in his personal capacity, in the capacity of trustees, in the capacity of an executor of will, etc., will the restrictions of contra trade be applicable to all the shares held in all the capacities collectively or individually?**

**Answer**

The restriction to engage in contra trade as provided under the provisions of the PIT Regulations would be applicable to all the shares held under the PAN of the Designated Person, irrespective of the capacities in which such Designated Person holds such shares in the Company.]
